The State Board of Education has designated the 1986-87 school year as a "Year of Reflections: A Bicentennial Celebration of Public Education," in recognition of the bicentennial anniversary of the Ordinance of 1787, commonly known as the Northwest Ordinance, which proclaimed that "schools and the means of education shall forever be encouraged."

Several activities were carried out at both the elementary and high schools to demonstrate this theme. At the elementary, fourth grade art students made a quilt designed around the theme of the "Little House on the Prairie" books by Laura Ingalls Wilder. The fifth and sixth grade English students wrote essays commemorating the days of the "Little Red Schoolhouse." The social studies department at the high school solicited early Gibsonburg school memorabilia from community members which were displayed in the trophy case next to the high school office, and art students at the high school drew pictures of past and present school buildings in the Gibsonburg School District.

As a sidelight to this "Year of Reflections," the Superintendent's office received several copies of past yearbooks from community members. The school now has a complete collection of all of the copies of the **Bears' Tale** which are displayed in a bookcase which was made by the industrial arts department. It is our hope that this, the 40th edition of the **Bears' Tale** will be a reflection of the 1986-87 school year to its readers both now and in the future.

The play is based on a diary kept by a young Jewish girl, Anne Frank, who lived in an attic in Amsterdam for two years with her family and four others, hiding from Nazi persecution during World War II. All of us who were in the play are between thirteen and seventeen years old; of course, none of us were around during this period of time. But after working on the play for eight weeks, we began to understand our characters. None of us, however, can begin to understand the fear these people must have felt living together as they did, waiting for the war to end so that they could again live freely. It is astonishing that, despite the horrors surrounding them, they remained hopeful . . . especially Anne who wrote, "In spite of everything, I still believe people are really good at heart."

Your Senior year  
 There is a bond,  
 for you know  
 You'll go beyond.  
 Past the bickering,  
 past the tears,  
 Caring throughout  
 all those years.  
 We've felt happiness.  
 We've felt sorrow.  
 But we all look,  
 toward our tomorrow.  
 I hope everyone's rainbow  
 holds a pot of gold.  
 But also all those memories  
 so we can hold  
 Onto all the treasure  
 that together we have made.  
 And remember with pleasure  
 our high school days.

Jaime Mancha was an all-SLL first team selection on defense, while Mark Younker and Aaron Ash were second team choices. Tom Angelone and Steve Sneider were both honorable mention.

Mark Younker and Aaron Ash were first team offensive selections, as a lineman and a running back respectively. Rick Villarreal, an all-SLL first team receiver, was an honorable mention choice as a running back. Mancha was special mention in the district, and Ash was honorable mention.

# Cross Country Team Has Successful Season

The Golden Bear Cross Country team had a very successful season in 1986. The team ended the regular season with a record of 4 wins and 5 losses. Some of the season's highlights were the 6th place finish out of 20 teams at the Perrysburg Invitational, the 8th place finish out of 21 teams at the Lakota Invitational, and the 3rd place finish out of 15 teams at the Old Fort Invitational. The Bears then only missed advancing to the Regional meet by 3 points. The team would have advanced easily if not for injuries.

Sophomore Steve Mitchell received the Most Valuable Runner Award as well as setting a new Sophomore record time of 17:09. Bill Pertner received the Most Improved Award for cutting 5 minutes and 35 seconds off his time during the season. Don Miller set a new Freshman record with a clocking of 17:49. Senior Tim Ruggiero was the team Captain. The Bear's successful season has really created excitement for the upcoming season.

With the return of only four letter winners, the 1986-87 Lady Bear Basketball program faced a rebuilding year. A young team of 12 overcame illness and injuries to gain respectability and much needed playing experience by season's end. The team's overall record of 5-16 was in no way indicative of the progress they made individually and as a team. With nine letter winners returning next season, the future certainly looks promising for Lady Bear Basketball.

Award winners included: Mindy Binsack and Linda Reineck — SLL Honorable Mention; Deb Elmer — Fremont St. Joe All-Tournament Team; Mindy Binsack and Sandi Reineck — Senior Awards and chosen to play in Fostoria Senior All-Star Game; Linda Reineck — Most Valuable Player; and Chris Balsizer — Junior Varsity Leadership Award.

The varsity basketball team ended the season by losing to Sandusky St. Mary's in the sectional finals. Considered a very young team the varsity recorded 5 wins and 17 losses. The Bears lost 5 games by 1 or 2 points and lost 9 games by a total of 22 points. It was evident the great thing about the Bears was that from the time they hit the floor in November til the loss in the tournament, they played very hard and never gave up! Failure on the score board didn't make them crumble; they grew stronger.

Receiving awards for the Bears were: Jamie Ritterbach, Top Foul Shooter; Rick Villarreal, Defensive Player; and Steve Cantrell, Offensive and Most Valuable Player. Steve Cantrell also was picked News-Messenger Player of the Week two times, made Second Team All SLL, made Honorable Mention in both the AP and Coaches All District Poll and was the area and league's leading scorer.
